Discover Wisconsin Cheese

Choose a cheese. Whatever your craving, find it here. Wisconsin cheesemakers craft more than 600 varieties, types and styles of cheese.

TLC for Dairy Cows

Home to more than 1.27 million dairy cows, Wisconsin takes good care of these animal citizens whose milk is at the heart of the \$26.5 billion dairy industry.

Cheesemaking in Wisconsin

Cheesemaking is a way of life where craftsmen excel at specialty and artisan varieties. We make 1 of every 4 pounds of cheese sold in the U.S.

Family Owned Farms

Wisconsin carries on the tradition of family owned farms. More than 98% of dairy farms are family owned with herds averaging 111 cows.
